“ *Dear Hicks family, Although not knowing Mr. Hicks or your family personally, I want to extend my condolences for your loss. There is a tremendous void that is left from losing a loved one. It is heartening to read that Mr. Hicks was surrounded by a wonderful family. It is my hope that you gain synergy from each other and God for strength during this difficult period. Please remember that the God of “tender mercies” will also provide comfort during this difficult period (2 Corinthians 1:3-4). It is my hope that these few words bring you comfort during your time of loss.*
