“ *Chuck was a kind man who always had a ready greeting for everyone. I regularly saw him throughout the years at Nationwide, and he often came in to the Library where I work to borrow books or drop off calendars for us. He will certainly be missed by all of us. My sympathies to all of his family. You are in my thoughts & prayers.

“ Chuck was my agent for many years and one thing I will always remember... even with all of the executives running around the halls of NW, he was still respectful and friendly with the "common employee" so to speak. He always said hi and would engage in conversation. My prayers are with the family. God bless as you move through this time

“ My deepest sympathies to the Jacoby family. Chuck was a common sight around the Nationwide plazas. Every time I would see him he always greeted me with a smile and asked how I was and my two daughters. He always seemed to remember who they were and what paths they were trying to persue. A true caring people person. His chats in the coffee shop were a nice way to start your day. He will be missed!!
