“ *My family lived 2 houses away from Charles and Suzie for many years. I have many happy memories of watching my first color TV shows at their house, drinking "Tab" and eating snacks we weren't allowed at home (potato chips and Pinwheels, when the colder weather set in). I think Teddy (their cat) may have led to my love of cats and kittens. Although we stayed in touch with an annual Christmas card, I'm so happy Sarah and I were able to visit Charles last year. He was amazing, still helping at his church and appeared to be very happy. I know he will be greatly missed by family and friends.*
