

Charles Marquard

December 8, 1947 - January 27, 2021

Charles (Chuck) Lee Marquard

73 years old of Worthington, Ohio Passed away on 1/27/2021 in Columbus Ohio after a short hard fought battle with cancer.

Chuck never met a stranger.

No matter where he went he could engage anyone in conversation. Adults and children loved spending

time with him. He was sincerely interested in what they had to say. He was funny and smart, he had an

infectious smile. He always saw the best in everyone. Our dogs adored him- of course he always had a couple treats in his pocket.

He and Sharon spent 52 years together. They loved and were devoted to one another. Lots of

laughter and teasing, they were best friends.

His love of his three children, Aimee, Courtney and Colin was an amazing sight to behold. Always the fun

daddy, the nurturing daddy, each child was his "favorite". He adored them and they adored him. He was

so happy and proud when each of his children were married. Mazen, Kerianne and Josh he loved as his

own. When he became a grandfather, he was so proud and so gentle. They

are his treasures.

He felt so happy to be surrounded by his incredible family, as he would say, "Best Family Ever". He loved

the craziness and loud laughter and all the affection we shared. He was a joyful unselfish man that

fiercely loved the Lord, his family and his country.

He will be missed more than words can express. God blessed us with

Chuck...husband, Daddy, Popa!

“ With Uncle Chuck my overwhelming memories have always been of a man who loved his wife and children with such depth and compassion and was never afraid to let that shine through for the entire world to see. In my eyes he was certainly the ideal measure of a loving father.

As a shy child I was always grateful for his soft-spoken, gentle way of connecting and ensuring everyone was part of the conversation and fun. I do not ever remember him talking to me in child-speak and I really appreciated that - being taken seriously and his sincerity in treating me as someone worthy of direct and thoughtful conversation. I cannot remember ever seeing him without a smile on his face. Ever.

The world has lost a beautiful soul. I imagine he's smiling somewhere on a cloud, playing with one of his beloved Bernese Mountain Dogs, sporting his U of M gear (all of it and all at once!).

My heart is with you, Aunt Sharon, Aimee, Courtney, and Colin. I'm sending you some nonstop virtual hugs. I hope the memories of all of the good times and laughter - and there were lifetimes full! - fill each day so there is no room for pain or loss.

With love, Heather Marquard

“ Dear Family: Heaven has gained another angel! Chuck's friendly, talkative and caring spirit will forever live on. Though our time spent with him was relatively short, he made a wonderful impression on us through his kindness and friendliness. While he is already being missed, we look forward to meeting up with him, his spirit, again someday. We send our sincere condolences to all of his family and friends.

Sincerely,

Dawn and Steve Averell

“ Chuck, you were the kindest man I've ever met. You would give the shirt off your back to anyone you met. You loved every single person in your family the same and made sure they knew it. Your texts always made me laugh with all of your emojis. You will be truly missed by everyone who ever met you. May you Rest In Peace and give us signs that you are watching over us always. Kinsley and Carter will always be reminded of your kindness and compassion for the rest of their lives. 💙
