“ *Hey, my main man,
I just wanted to remind you of how much I love you and how much you mean to me.
I miss you and will always remember the fantastic moments we spent as uncle and nephew. Whether it be Five Guys, shooting hoops, the shots I've taken at becoming a man, or the long conversations we had together about life.
I'll always be thankful for these unforgettable moments that you brought to me.
You've been my favorite uncle, and you'll always be.
I love you, man.

“ So many great memories...so many great stories...so many great times with Chuck and the family. From the moment I was introduced to you until the moment we said good-bye (with a handshake I will never forget), you welcomed me and made me part of the family. Team Sherbert forever. I will see you in the mischievous twinkle in Fiona's eye, or Charlotte's compassion or Francesca's stubbornness. And of course, every day in love of your wonderful daughter, the greatest gift you ever gave me. Peace and God Speed, Chuck. The world is lesser for your passing but greater for having had you here. Peace and God Speed.

“ My Uncle Duck, a man in a million. My memories are of love and laughter- a deep full laugh that was so infectious you couldn't help but smile. As a small girl you always had so much time for me, lifting me up high on your shoulders and telling me stories. As a young women you always made time to find out what I was up to, and when you met my hubby to be suitably grilling him for worthiness! Chris loved meeting you and thought you a dude! I'll love you always my uncle ducky. Ambie xx

“ *Mr. Sherman*

I salute you and thank you to my core as a fellow veteran, but more importantly I salute you for the man you were and the father you were to your children. Buz and Julia will deeply miss you, but the guidance and life lessons you gave them will live on, and your memory will always live on. Not just with them, but with all of us who may not of been family but had the privilege of calling you a friend, mentor, or boss. Thank you for taking me in at a time when I desperately needed it and allowing me to work under your leadership. I have many fond memories of you me and Buz and I will cherish those times forever. Sadly I can not be there to honor you, but you and your entire family will be in my thoughts and prayers. God Speed Mr. Sherman may you rest in peace.

“ Chuck the classmate and groomsman- We had hoped Chuck would pull through this as I mentioned to Lynette in a card a few weeks ago. Chuck just wasn't a classmate at Franklin Hi, he was in our wedding party over 50 plus years ago, while attending San Diego State, but he was also a true friend.

He will always be in our memories as a good, fun loving person.

Let's hope that can be said for all of us, when our time comes.

“ *Chuck aka The Ohio Aztec,
Fond memories of meeting you and the Sherman Family when Michele and I took our first SDSU Aztec Football road trip to Michigan. From that first meeting at the pre-game gathering of Aztec Alumni. It led to many future road trips with The Sherman's and The Ybarra's. We followed The Aztecs to Wisconsin, Notre Dame, Missouri, West Point, Ohio State. Always hoping for an Aztec win but coming up short. We never lost the faith that Aztecs could do it. We cherish the memory of the Aztecs playing in the Holiday Bowl and the Sherman's came out to San Diego for the game and joining us for Michele's Christmas Eve Mexican Buffet. The late calls and texts of an Aztec win are going to be missed. The long distance friendship grew with our Families over the years. The Sherman's: Lynette, Julia, and Buzz and the Ybarra's: Michele, Jonathan, and Mia Rose. We were so honored to be there as you walked Julia down the aisle when Julia and Michael got married. I remember talking with you and how happy and proud you were. The Ohio Aztec will be missed but not forgotten. As you would always say, "Go Aztecs!"
RIP my Friend and Fellow Aztec.*

We wish we were there but we are there in Spirit and Prayer

“Daddy - you will be so missed. This poem gives me comfort. I found it written in Grampy's hand a couple of years ago. It is so appropriate now.

*"Across the years I will walk with you -
In deep, green forests; on shores of sand:
and when our time on earth is through,
in heaven too, you will have my hand"*
