“ *She was the best friend with the best attitude, and the best timing and the best comical retorts and I will never find a better one. May her soul rest in peace and know that without you Cheryl life for your fiends will never EVER be same.*

“ *My wife Paula and myself got to know Cheryl shortly after her daughter Sheri moved next door to us 19 years ago . Cheryl and I had many conversations (covering many topics) over the years , especially since she was a frequent visitor to Sheri's . I always enjoyed our talks and found her very interesting and younger than her age in every way . I could tell early on that she was the centerpiece of her family and greatly loved by all . To say that she will be missed is a huge understatement . Bless You Cheryl , George & Paula May .*

“ *Cherri and I worked together for many years when she was the Zone 4 Cmdr's secretary. She did an exemplary job, loved everyone and was incredibly loyal to those she worked for. I considered her a very close friend. My thoughts and prayers are extended to her family. She will be sadly missed but never forgotten.*

“ I got to know Cheryl very well while I was the acting Zone 2 Cmdr for a year, my office was next door to her office and we would visit every day. She was a very unique person, especially around lunch time, but we always had a great time and she absolutely loved the officers on her zone and would do anything for them. You will be missed.

“ There are too many memories to share about Cheryl in this post. However I know she loved her family more than anything, she also cared for her children's friends as if they were her own. She even treated my kids as if they were her own grandchildren. She will be sadly missed and I will miss being able to play a good game of yahtzee with her, as you all know she loved playing games and always had a smile on her face. We love you Mimi ❤️

I knew the 'brothers' when working with CPD and via, my husband Chuck. Honored to meet Cheryl a few times, who was gracious and a loving person. May the family be embraced by our Good Lord during their journey of grief and assured by the Eastertide promise.
