

Cheryl Jane Garrett

August 6, 1952 - December 19, 2021

Cheryl Jane Garrett, age 69, of Columbus, Ohio passed away on December 19, 2021 at The OSU Ross Heart Hospital. As the youngest daughter, she was preceded in death by her Brother Ron Coleman and Sister Barbara Wirmel, and Parents, Kenneth and Martha Coleman. Cheryl is survived by her husband Ron of 48 years, her 4 children, Angela Snyder (Scott), Jeffrey Garrett (Kim), Jacob Garrett (Megan) and Stephanie Blazer (Daniel) and a tribe of “grands” as she affectionately referred to them, Clara (T.J.) Reagan (Arion), Julia, Reese, Penny, Lincoln, Brooks, Scarlett, Oscar and Aella. Cheryl was a graduate of Thomas Worthington High School and was licensed in a variety of professions. Cheryl was a “Dreamer and a Do-er” and as an entrepreneur, she started many businesses throughout her life, some of which were the Strawberry Patch Bakery & Catering, Needlemeisters Sewing Classes and Capers/In the Kitchen with Bubby. Her most successful endeavor is Home Source Interiors where Cheryl and Ron started the first Hunter Douglas Window Fashions Gallery in Central Ohio. Since her retirement, her children are proud to operate the business, carrying out her legacy. Cheryl would do anything for her family and raised strong willed and independent children, in her image. Cheryl was a devoted wife to Ron, sustaining their marriage through the best of days creating a family, dreaming of projects and vacations, and attending kids’ and grandkids’ activities, sporting events and awards ceremonies together. She also was the cog in the family, pushing to get through the worst of days, managing a family of 6 on a tight budget, caring

for ill family and friends, and always had a “we can do this” spirit. Cheryl’s friends knew her as “a hoot” and “a character” and knew if they wanted an honest opinion, she’d be the one to give it to them. Never afraid to speak her mind, or do the unorthodox, Cheryl was one of a kind. Cheryl was a child of God and she and Ron have been involved in several congregations over the years. She traveled and provided humanitarian relief in war torn Bosnia through the Presbyterian Peacekeeping Committee, to rural villages in Honduras through mission trips and organized relief supplies to be sent to Florida for hurricane Andrew victims. Cheryl demonstrated her devotion to serving God through community outreach, benefiting underprivileged children and families at every opportunity. Cheryl did not want a funeral, but rather an opportunity for friends and family to come together to celebrate her life. On February 4th from 1 to 5pm the family will be welcoming attendees at the Worthington Hills Country Club, In true Cheryl fashion, there will be hors d’oeuvres and refreshments. In lieu of flowers, contributions can be made to “Make-a-Wish” Foundation here in Cheryl’s name, https://secure2.wish.org/site/SPageServer?pagename=donate_today&chid=011-000

“ Ron and family, I am so sorry for your loss. Although I never met Cheryl, I am a loyal HomeSource customer, having used and recommended its services many times. God bless you all.

“ I had the wonderful opportunity of getting to know Cheryl and Ron when I ordered draperies for my first house in 2007. Cheryl's personality was what made me decide to do business with her and I was very pleased with the end results. It's been a long time since I've seen her but followed her and Ron via their email updates, which is how I found out about her passing. My sincere condolences to Ron and the rest of her family. May her memory be a beautiful blessing.

“ *I just learned of Cheryl's passing through an email...I reconnected with Cheryl about 5 years ago when my wife and I had Home Source do a fantastic window covering in our family room. although not real close friends in high school, I certainly became aware of her fantastic talents not just in the home decoration business, but her "kitchen talents" at OSU football tailgating affairs. Thanks you for the few years of friendship. God Bless. John Snouffer, (T)WHS, Class of 1970.*

“ This picture represents only one of my favorite memories of Cheryl as she taught us how to craft this cookie tower in a Christmas class. I took all the "Bubby" classes I could and learned so much from this master of flour, butter and every kitchen appliance or gadget ever invented. Cheryl was truly a woman of distinction, honesty, dedication, professionalism, creativity and humility. Together we shared so many friends and a myriad of life's passions in sewing, cooking, baking and loving our "Grands" and our dogs. I shall forever miss my dear friend, so Ron, just know Cheryl will live forever in my heart as she will in yours.

“ I am still trying to wrap my head around this. It seems very surreal. Cheryl almost made me a crafter!!! She always told me “you can do this“, or “fake it till you make it!”. She fully believed in my potential, and for that I adored her. RIP my friend, I’m sure heaven is in quite an uproar right now celebrating your arrival💕
