“ *My husband and I met Cher and Paul on the stone porch at the State Game Lodge in Custer State Park during the Sturgis Motorcycle Rally. We liked them instantly (what's not to like?!) and we whiled away the afternoon laughing and chatting. After they left, we kicked ourselves for not getting their contact info.*

*Lucky for us, we ran into them on the stone porch at the State Game Lodge again last summer. This time we exchanged contact info.*

*We have enjoyed seeing all of Cher and Paul's awesome adventures and looked forward to seeing them on the stone porch again this summer.*

*Cher was a beautiful (I asked Paul once if they EVER took a bad picture :)), kind and extremely classy lady. Her love for Paul and for her family was apparent from our first meeting.*

*Please accept our sincerest sympathies and we hope that your happy memories bring you peace in the days to come.*
