“ *Please accept my heartfelt sympathy. I was Christian's fifth grade teacher my first year at Bluffsview. My family adopted a sweet little black kitten from you that year. Although I remember all of my students with fondness, there are certain ones who have truly touched my heart and who I have thought of throughout the years and Christian was one of those students. He was an extraordinary, special young man with a big heart. Your family and the world have suffered an extreme loss, and words seem inadequate at this time. I can only say that my heart and prayers are with you. Karen Smucker*

“ *Christa and family, I am so sorry for your loss. Death is always hard for those who remain and unbearable when a young life is lost. There's a reason when to path to heaven is a short cut. God has a beautiful, fresh rosebud. In time, your heartache will gradually become fond memories of happier times. I'm here for youif I can help in any way. Donna*
