“ *Dear Erica and Bruce,  
We are so very sorry for your loss. Chris was such a beautiful woman inside and out and we will truly miss her so much. Everything that you mentioned in her obituary was so true and was so beautiful. Our thoughts and prayers are with both of you. I guess Bailey wanted her momma to be with her in heaven even though it was way too soon for us to say goodbye. I will always remember all of the fun times we had growing up and I will always cherish those memories forever and her laugh. May my dear cousin Rest In Peace. I love you Chris. With caring thoughts, warmest condolences and love. Nancy and Mike*
