“ *Christie and I met our freshman year at Washington University in St. Louis. We were sorority sisters for 4 years and roommates for 2. I have such wonderful memories of time we spent together: 'all-nighters' cramming for finals, finishing term papers and once, reading 'Love Story' by candlelight, beginning to end. I will never forget Christie's enthusiasm and infectious laugh. Much love to Christie's family as they cope with this tremendous loss.*

“ I met Christie when I worked for her husband. We enjoyed exchanging cat stories. She was a very kind, caring individual and I liked her very much.

My heart goes out to the family. I'm praying for God's love and comfort during this difficult time.

“ Christie and I had many long talks in my office...one of my many perks working for the church. She always brightened my day and I enjoyed the conversations and jokes more than she probably realized. A wonderful spirit left behind that will never be forgotten. love and miss you,

“ Even though I only knew Christie for a little over a year, she was one of the most caring persons that I know. She will be sorely missed.
