

Christine E. "Wilson" Stump

May 2, 2012

Christine Elizabeth (Wilson) Stump, age 48, of Powell, Ohio, ended her valiant fight against pancreatic cancer on Wednesday, May 2, 2012 with the strength of character, courage, dignity and grace that she always exhibited when confronted with obstacles and challenges. Chris graduated from Highland High School in 1982 where she was a musician, scholar and active member of many organizations. Chris was a graduate of The Ohio State University, Class of 1986, earning an accounting degree and CPA designation, making memories and friends as an active member of Alpha Xi Delta sorority, and meeting her husband and best friend of nearly 23 years, R. Brian Stump. Chris was a proud, loving and devoted mother to Matthew G. Stump (15) and Michael B. Stump (15)-volunteering at her sons' school and earning The Community Service Award from the Olentangy School Board in 2008 for her hours of dedication and service. Chris is also survived by her parents Kenneth L. and Arlene F. (Woleab) Wilson of Hinckley, Ohio; her mother-in-law Shirley Stump of Worthington, Ohio; her brother Steven L. Wilson and niece Camille S. Wilson of Bay Village, Ohio; and her uncle Kenneth E. Woleab of Leesburg, Ohio. She is preceded in death by her father-in-law Russell Stump. Chris was a friend to so many and touched their lives in a special, and uniquely-Chris way. Chris (and her chocolate chip cookies) will be missed, but she will live on in our hearts and through her good works. In lieu of flowers and in Chris' "pay-it-forward" philosophy, Chris would appreciate your support of the Christine E. Stump Pancreatic Cancer Research Fund at The Ohio State University to help

“ , fully immersed in the naurte, within the Bunaken marine park you'll do amazing dives, and you're gonna see the most colourfull fishes. You'll dive with some very professional guides, they are very talented and passionate in their work. Since I'm handicapped I was a bit worried about the dives, but I must say Pim has been great! After a couple of dives to check out how to manage the situation everything went smooth! He helped with my gear, he swam for the two of us and he didn't forget to look for all those tiny creatures, camouflaged fishes Sometimes it took me a bit to focus on what I had right in front of my eyes!! I'll never forget the close encounter with a giant turtle I wanted so much to see Not to forget are all the strong men who works on the boats; they are always ready to help you, they change your tank and check your gear as soon as you get into the boat then they offer you some fresh fruits, lovely people!The food is very good, you can eat a super continental breakfast a la carte, you can choose from scrambled eggs with bacon to pancakes with pineapple delicious! For lunchdinner you have different types of fishes everyday (remember the sunday BBQ!!!), always cooked with fresh vegetables! And if you don't want fish there's always a meat alternative. You must also check the jungle restaurant up in the hill, but if you cannot because of a wheelchair they will be happy to cook whatever you prefer and serve you at your usual table in the restaurant.For my stay in Minahasa I was honored to have a personal assistant a nice guy who helped in every movement around the resort, he was always ready to take me to the restaurant for dinner, back to our room or the pool he was very helpful as everybody there, they all are willing to serve you the best they can, and they totally succeed!!!You don't need to think about nothing, they have everything you need, and I mean everything! The room is very spacious, super clean, fully accessorized, with your own private veranda luxury!All you have to do is take a plane and fly to Minahasa Lagoon, they will take care of you for a very special holiday.I really hope to go back again, I love that place and the good hearted people there.

“ It was a short time ago when I saw you and expressed that I had found out about Christine's illness...words were not spoken at first...but a hug followed by tears...and a question why? When I heard of her passing, I asked myself...Why are the great ones taken so early? Christine has a special place in heaven and will always look after you, Matthew and Michael. Please know that you and your family are in my thoughts and prayers...your longtime friend. Kim

“ Michael, I am very sorry to hear of the loss of your wonderful mother. She gave so much of herself to our elementary school in all the years that you and your brother, Matthew, attended there. I remember her as full of energy and always smiling with a kind word to all. Although her time with you was short, we were all blessed to have had her in our lives. She will be missed and remembered by so many fortunate enough to have known her.

“ To Brian & the boys, I prayed for Christine, just like I prayed for you boys when you were born prematurely from information through my sister, Sandy Roberson. I'm so sorry that she didn't win the fight against the cancer she had. I too had to say good-bye too soon to my husband, Bob Brown to cancer in 2010. It is going to be hard to deal with not having her there with you any longer but remember all the good times and wonderful memories and she'll always be close to you. Sincerely yours, Pat Brown

“ *We had the privilege to first know Chris through our mutual
corporate association and The Olympics. We traveled with Chris
and Brian worldwide, and established a lasting friendship over the
years. Chris was a truly beautiful person, inside and outside. She
was devoted to Brian, Matthew and Michael. This remarkable young
woman will always hold a special place in our hearts.*

“ Every year at Christmas, we hang on our tree several of the sachets that Chris made for her wedding. We talk about that amazing snowstorm on their wedding night, how the church glowed, and how radiantly beautiful Chris was. We have so many wonderful memories of times spent with Chris and Brian. They have always been part of our family, even though we have been far away for 20 years. Chris was so bright, so accomplished and capable, and such a perfect rock for her family. Her glorious smile could light a room. The world is diminished without her.

“ Brian We are so sorry for your loss. We will lift you and your family (especially those wonderful boys) up in prayer for your comfort at this very difficult time. Chris sounds like a fantastic mother and wife as well as community servant. It is such a blessing to have been given a lifemate and I'm certain so hard to let go. We regret not being there in person but we hope to see you soon.

“ Chris was a parent volunteer in my classroom when I was lucky enough to have Matthew in my first grade class. I can still remember how her face would light up when she talked about her boys. She had limitless energy and she always went the extra mile for all of the first graders. I will never forget her hard work or her kindness.
