“ Chris, i miss you with all of my heart. without you here to help me and make me laugh and smile i feel as if there is a part of me missing. although it has been 2 1/2 years, i still think about you everyday and the pain of losing you is still there as if it was the day after you left. you were my best friend and my most trusted friend. i can still remember the days at the pool. and all the pranks we pulled. i still remember all the smiles and laughs we shared. i dont think anyone will ever understand why you did what you did. i know that no matter how hard i've tried i cant seem to figure it out, you were always so happy. i know that many of us would like to know what was going through your mind in those last couple of hours, but we'll never know. you were and still are a very lover person. i love and miss you very much. i'll always remember that wonderful smile love always, Brooklyn S. “ To Chris' Family, My husband and I got to know Chris a bit this summer during his friendship with our daughter. He was truly a gem; kind and thoughtful, and sweet to Anna. I was so sad to hear the tragic news of Chris' passing, and so sorry I could not be there to say goodbye as I was out of the country at the time. We have memories of Chris' cravings for Cheezits and love of homecooked food. We have some pictures of Chris with his friends from this past summer and the start of the school year. Please let us know the best way to get them to you. We are comforted in the fact that Chris made a decision of faith this past month, and look forward to being with him in heaven. Laura Cleveland

“ Dear Chris's Family: We are deeply saddened by your loss. While we knew Chris for only a short time, the times he came to our home are happy memories. We rode the bus with Chris and threw snowballs while at the bus stop last winter. As many have said already, we will remember his kindness and smile. We are praying for all of you during this time. “ Dear Parratt Family; I cannot express in words how sorry I am for your loss of Christopher. Christopher was a special young man who could light up a room. We shared a good laugh almost every day when he stopped in my office for his daily supply of candy. I am very sorry that I cannot attend the service this morning as circumstances prevented it. Please know that your family are in my thoughts and prayers God Bless.

“ I knew Chris From Hamilton South and then was fortunate to have him in 7th grade at the middle school. He was curious, creative, and had the potential to do great things. He was ornery but had a good heart! My condolences to your family; I know he will be missed every day.

“ I will always remember Chris as the little third grader who had a great smile and wonderful sense of humor. It's hard for me to write this because of the tears and pain I feel for his loss right now, but he is worth every tear that falls from my eyes, and many more. I feel blessed to have known Chris, and have always felt he was a kind hearted person. Rest in peace Chris. Chris Ultican

“ To Chris's Family: When your heart is empty, filling it with happy memories can help. I knew Chris as a student both at Hamilton South Elementary and Hamilton Intermediate Schools. I am deeply saddened by the news of his death. I always remember him for his sense of humor and marvelous gift for conversation. He was truly a great kid. I hope that you will be able to hold on to your happy memories of Chris and let them guide you through this time of sadness. Sincerely, Peggy Burge

“ To Christopher's family; Please know that my thoughts and prayers are with all of you at this time. “ My sincerest condolences to Chris's family. I will remember Chris as the student who always would smile no matter the adversity he faced. He was a pleasant young man and who had great respect for the teachers and administrators at Liberty HS. As a former administrator at the high school, I knew that Chris would always be a pleasant person to speak with and I was glad I was able to get to know him.
