“ *I am so very sorry to hear about Cinda. I worked with Cinda @ MMH. I will never forget her kindness and friendship When my mother was sick in Pittsburgh. She surprised me on my birthday and took me out for the day. She was a very loving and caring person and I will miss her.*

“ *My deepest sympathies to Cinda's family and friends at this very difficult time. Cindi and I played together as children and I will always remember her as a wonderful friend who was always laughing and so much fun to be with. I knew she had become a nurse after high school and I always felt no one better than Cinda to be in such a dedicated profession. May you find comfort in in such lovely memories of Cinda.*

“ *Dr. and Mrs. Wood, Matt and family, I am so very sorry to her of Cinda's passing. When I think of Cinda and you, I remember little girls and our ponies. Those were good times. We were both very lucky to have such wonderful parents. Cinda enjoyed helping others and from what I read she must have had an interesting career, just doing that. May her memories and smile heal your hearts at this difficult time. My deepest sympathy, Jane*

“ We are so sorry to hear of Cinda passing. We have known her for a number of years. I worked with Cinda at The Arbors in Marietta. She was a wonderful person, and an outstanding nurse who always gave 100% to her patients and to her co-workers. I have many fond memories of Cinda, and she taught me so many things that I will never forget, and that I use daily in my nursing. May you find comfort at this time, and know that she will be missed by many because she touched so many. Mary and Shawn Hamilton family
