“ Cindy, I will never forget your smile, how you was always willing to help, the little talks we would carry on while at work, being funny, how hard of a worker you could be, how you put other people before yourself, I could go on forever. But one thing for sure how much you loved your family. I am grateful to have gotten to know you over the years at work and know I could call you my friend.. I pray your family can find piece at this time and comfort to help guide them.. I know you will forever be an angel watching over all of them and many of us from 6024. May you rest in piece my dear. You will be missed by so many! Love ya Cindy Lou hoo! To the Douthitt family my deepest sympathy goes out to you and I pray for piece and comfort! Forever your friend-- Tara Abbott co-worker 6024
