“ *To Katie's Family, We want to offer our condolences on the passing of a much loved and admired lady. We are so grateful that we got to know Katie and Harry as a result of our P&G connection. We spent many happy hours with them. Katie will be fondly remembered for her love of family, welcoming smile, positive attitude, and sharing ways. Many years ago she dug up several grandiflora hostas from the side of her home on Flora Avenue and gifted them to us. They now reside on the side of our home where they provide us with great joy and with wonderful memories of the lady who gave them to us. Jackie and Jon Seymour*

“ *My sympathies for your loss. Mrs Whitehouse was special. She was my Girl Scout leader, many years ago, and she always had a kind word. I saw her in 2006, and got my last hug from her. Gosh, she gave good hugs!*

“ First, allow me to expres my condolences to the family and friends of Katie Whitehouse. Her obituary in *The Columbus Dispatch* caught my eye because my late grandmother's maiden name was Whitehouse, and her older brother Abe had a son named Harry. Abe raised his family in Akron, Ohio where he lived until he retired, after which he moved to Miami, Florida. Grandma came to America in 1913 from Poland with an older sister and Uncle Abe's future wife Eva. That older sister also settled in Akron, and had a son Leon, who ended up in Cleveland. My late mother was the New York family's emissary to the family in Akron - as a young woman she traveled to Akron whenever there was a family special event there. I remember my nuclear family driving from New York City to Akron for some family occasion when I was an early teenager during the late 1950s.. Eva and Abe had five children, two daughters and three sons. Annabelle settled in Flint, Michigan; Harry and another brother (whose name escapes me at the moment) settled somewhere in northeastern Texas (Dallas?); Jeanne (the youngest of the girls) also settled in Miami, as did another son who died in his 30s from heart disease. Please let me know if any of this sounds familiar. I've never met any of my second cousins before (with the exception of Jeanne's son Rodger, whom I visited in Miami about ten years ago). All the best to you and yours in what must be very difficult times for all of you.. Rick

“*Jan and I were saddened to read that Katie had passed away this past week. She was such a dear, gentle person. I'll never forget sailing at Hueston Woods and playing the "definition" game. Hypercot--a "Hyper Harry sleeping on a cot." Our lives and those of our children were blessed to have known her. Michael and Jan Hendrix*
