“ Mike , I will miss you so much. We meet and fell in love in the 7th grade. Even though we broke up in the 12th grade, I never stopped thinking about you. And then by some miracle in 2015 we found each other again. And those 50 years melted away. We was fast friends again!!! It was wonderful to laugh and dream with you once again. .. You was my first love and you'll be my last love. Till we meet again. You are missed!!!
