"I'm Free"

Don't grieve for me for now I'm free. [SEP]

I'm following the path God laid for me.

[SEP] took his hand when I heard him call. [SEP]

I turned my back and left it all. [SEP:SEP]

I could not stay another day,

To laugh, to love, to work, or play.

Tasks left undone must stay that way,

I've found that peace at the close of day.

If my parting has left a void,

Then fill it with remembered joy.

A friendship shared, a laugh, a kiss,

Ah yes, these things I too will miss.

Be not burdened with times of sorrow:

I wish you the sunshine of tomorrow.

My life's been full I've savored much,

Good times, good friends, a loved one's touch.

Perhaps my time seemed all too brief,

Don't lengthen it now with undue grief.

Lift up your heart and share with me,

God wanted me now, he set me free.

“ *I am so very sorry for your loss and I wish you peace and comfort for the days ahead and for the pain that is in your heart at this most difficult time. I have many memories of growing up with Herb and Cleo being good friends with my parents, Lois and Frank. Take care and know she is now at peace and with Herb once again.*
