“ *I don't exactly remember when Cleta and I first met, but there was something there. We enjoyed each other's company, we traveled Ohio. There were good times and bad. but we made it thru all. we spent many years together and I enjoyed everyone. now that she is gone, I can't tell you the pain I feel. my friend, my confidant, my partner, gone! this house still, quiet, empty. never again to see or hear Cleta's voice. it took me a lifetime to meet a woman like Cleta and it seems like in an instant she was taken away from me. am mad, am sad, am very lonely without her and always will be. I know that she knows that I loved her very much and always will. she will never in my heart be forgotten. and if there is an afterlife, I hope and pray to see my Cleta Again. Love you forever, Robert Ramos.*
