“ *Colleen may you rest in peace with your Heavenly Father. Colleen had that way about her that would bring a smile to your face no matter how you were feeling. Will never forget your fun times at St. Michael School when Colleen, Kathy Pajor, Diana Wegner, and myself dressed up in our hawaiian grass skirt and coconut tops and long hair wigs and sang and danced for Pam Grossman in the office for her birthday. Some great times we had and will remember them always. Until we meet again.*

“ *Colleen oozed sweetness and kindness from every pore. In recent years we ran into each other at Meijers, sharing a hug and our cancer journeys. She was always smiling and her strong faith allowed her the ability to remain upbeat and positive. We fondly chatted about Riley,( Frosty the Snowman in my 3rd grade class) and the girls. She was so very proud of them all. What a blessing in your lives! May you find comfort by reflecting on God's goodness and know how much she was truly loved.*
