“ *Conni was fast with a joke or quip, and could always make me laugh even when I was feeling down. I have so many fond memories hanging out with Mike and Conni, I'll always cherish the time I got to spend through the years getting to know her. I know Conni is entertaining all those she's surrounded by now with that special wit she possessed, but she is greatly missed here by all who knew her. Rest In Peace Conni, we love and miss you.*
