“ *I was very saddened to hear that my friend Connie had passed away. I was hoping to get up to see her, but was busy with my parents whom just passed away in December and my Dad, Feb. 4. I was the former secretary in Linguistics. I'll always remember all the good times we had working in Gordy Hall. Connie and I would go and exercise during our lunch hour and then walk and have lunch together. She was very faithful when it came to exercise, and she continued even when she moved to Columbus. Connie was a very warm & loving person. My deepest sympathy to her family for losing such a wonderful woman.*
