“ *Connie was our neighbor in Clintonville for many years and a treasured friend. She loved Clintonville and the house she lived in for so many years .*

Connie was a independent and stoic woman until the end .

She took care of her husband until he passed away even though she had her own health issues. She was such a fighter and I can only hope I have the same spunk at her age.

I will truly miss sitting on her porch and catching up.

Our thoughts are with her children and grandchildren. Connie loved them so much and she was a wonderful mom.

Clintonville won't be the same without you !
