

Connie Stockwell

September 8, 1947 - December 9, 2024

Connie passed away peacefully at home surrounded by her family and pets on December 9th, 2024. She was born on September 8th, 1947, in Kenton, Ohio to John and Carolyn Mullins. She moved to Columbus in 1965 after high school to attend The Ohio State University. Connie was employed by The Ohio State University in business administration for 34 years until her retirement in 2006. Family was the most important thing to her and if you were blessed enough to be her friend she counted you as family as well. She was so proud of her children and grandchildren; they were her favorite topic to discuss with anyone whether they asked or not. She had many strong opinions but didn't have an ounce of judgement in her. She was the life of the party with the best and quirkiest sense of humor, she could make even the stoic of souls laugh. To know her was to love her. She enjoyed singing Irish songs, loved all instruments and music, listening to her husband play the banjo, playing Euchre, board games and genealogy charts. On Saturdays she loved cheering on the Buckeyes, Sundays the Browns. Her favorite hobby and the thing she cherished most was family. Connie loved fiercely and if you hurt someone she cared for, she would not shy away from letting you know how she felt about it. Connie was the glue that kept everyone together from organizing family dinners to attending every event she could to show support. She was the biggest and best cheerleader you could ask for. She gave everyone the confidence boost or push they needed. She loved being involved in everyone's life and kept up with family through daily calls, texts

and every form of social media out there. She was so tech savvy that even the younger generations would call her for help. She was often everyone's first call for advice or in a crisis as she always knew what to say or do. She was a lover of all animals and was a powerful advocate for animal rescue. Connie is preceded in death by her parents John and Carolyn (Kaiser) Mullins. She is survived by her spouse Randy, her daughter's Jenifer (Nick) and Heather. Grandchildren Ayden, Kylie, Betsy and Felicity. Sister Bonnie, nieces and nephews Nathan (Therese) Lance (Karol), Tiffany (Keith) and Kendra (Jake). Special cousin Susie and childhood friend Terrie Lenerz along with countless other family and friends. She leaves behind endless memories and stories to provide comfort to those who loved her during our times of sorrow. In lieu of flowers please consider a donation in Connie's name to Rico Pet Recovery or any animal rescue of your choice.

“ *Connie was such a compassionate individual! She accepted everyone and was basically spewing love and support on family and friends. She made me so welcome to the family when I first met Dale. And I loved those times at Happy Hour with Connie and some of her OSU coworkers.
Super favorite memories: playing games on Thanksgiving! Connie, I will miss you.

“ Connie loved a lot, most of all her family. She spoke about all of her kids and grandkids and how proud she always was of all of them. She and I love animals and she helped me with forming my website for animal behavior over 15yrs ago. We spoke with each other many times since then and I will forever miss those conversations and just knowing her presence here. She was always so willing to help with anything. Love to you all, her family. My heart breaks for you and for all of us that will so derly and fondly think of ther daily and miss her.

“ My loving mom, my rock , my biggest cheering section.... I cannot find words to describe the emptiness I feel. You raised me to be strong and I will do my best but I know my life will never be the same. I am sure the family welcoming party in heaven was huge. I love you forever - “your brown eyed girl “ I don’t know if I will ever hear that song again without my heartbreaking, you have sung it to my my whole life.

“ So many kisses to Randy and all of Connie’s family at this difficult time. Connie and Randy were our biggest cheerleaders at the Carousel every Sunday for 10 years. She became a wonderful friend even though we didn’t get to see each other too often after that. I will treasure the memories and know she will be resting in peace. Barb Morris

“ *connie, was my older cousin and we seem to have so much in common, We were very close as children, even closer as adults, even distance did not take away from our relationship. She was the glue that held our family together, she will be remembered by everyone who ever met her. She never left any questions on how she felt about any subject. R.I.P. We love you cuz. “ My heart is breaking for you all. She was a very special lady, who believed in everyone. I owe her my career at Ohio State because if she hadn't given me the push I needed, I wouldn't have been able to say I spent 30 years at OSU! She will always be in your hearts and minds, all you need to do to be near her again is to remember...
