“ Dear Taylor Family,
The pictures of Connor were great. I only wish I had the chance to know Conner when he was healthy. I loved the stories about him at the funeral. It was obvious that so many loved him. It was an honor to be with Connor and all of you at the hospital. I only wish we could have changed the outcome. Sorry I couldn't come to the graveside. There was no way to change my appointments. Be assured you all continue in my prayer. Call me if I can do anything. Fr. Dean

“ Dear Taylor Family -- So sorry to hear of your loss. My memories of Connor are of his kind, caring nature and his compassion for others during our Mirror Trek summer events. He was always the first to volunteer, stayed late when needed, and all with a smile. May the Lord keep you in his loving arms during this difficult time and know that you and the family are in my thoughts and prayers. God bless you all, Mary Lykens
