“ *I worked at Burlington many many moons ago with Connie. She was such an amazing person. So kind and loving. She even had a work baby shower at her house on Lincoln for me. God bless her family in this time of sorrow. Peace be with you.*

“ *My BEAUTIFUL Aunt Connie! You always had a kind (but truthful) word and a warm and tight HUG for me. And that laugh was always from your toes, and could be heard from the end of the Earth. You didn't let us get away with stuff, but you taught us respect, kindness, and giving of ourselves - and that "things" were nothing, what was important was what was inside. You helped to make me a better woman and you will always have a piece of my heart and my love.*
