“ I was lucky enough to know Connie through work for 2 and a half years. She served as an inspirational example of how to live life with the most positive attitude I have ever seen. She taught everyone around her that life is to be cherished while you still have the chance. I will miss her bright smile and unforgettable spirit. My deepest condolences to her children, husband, and siblings.

“ Connie was such an inspiration on a daily basis. Even when you knew she didn't feel well, her smile would fill the room and she would change the subject and talk about something upbeat. She loved her family and friends! May we be forever in awe the gifts she gave us. Maureen and Ed Geraghty
