

Craig Thomas Elliott

December 20, 1973 - February 12, 2025

Craig Thomas Elliott

It is with profound sorrow and much love that we mourn the passing of Craig Thomas Elliott of Dublin at the age of 51. He is preceded in death by his parents, Ruth Ivalou and Thomas Lee Elliott. He will be lovingly remembered by his sister, Kristin (Michael) Edwards; brother, Jeffrey (Colleen) Miesse; sister, Kimberly (Scott) Hoy; loving nieces, Chelsea Hoy and Sara Edwards; and nephews, Clay Miesse and Joseph Edwards; aunts Deborah Hartman and Connie Iguchi, and Uncle Robert Elliott. Craig was born on December 20, 1973, and is a graduate of Dublin High School class of 1992. Craig enjoyed playing the bass guitar during his younger years. He was in a band called Shattered with several good friends and got his nickname, "Clyde." He worked hard as a Manager of TAG Market for many years. Later, he became a Realtor at Keller Williams Capital Partners. Craig loved hanging out with his family and friends, especially his dad, nieces, and nephews. He always had advice for his little sister and looked out for her. He enjoyed caring for his rabbits, reading about history and politics, and watching Ohio State and Dallas Cowboys football games with his dad, big brother, and friends. He had a smile that was contagious, and he loved making people laugh. He always seemed to have some silly joke to tell or a little saying, commonly known as a "Craigism," to share. He had a sparkle in his eyes that would light up a room. He was kind and loving and could talk to anyone about anything. He truly never

met a stranger, which was just like his mom. Craig had a favorite quote from his dad: "Blessed is the man who can say he is proud of the boy he once was and the man he has become today." We are all very proud of the man he had become.

“ Hello Kristen, Nice write up. So sorry for your and our loss. Nice to see you included Shattered and Clyde. That was my fault as when I moved to Dublin all I could remember was a bass guitar player with a "C" name. I met him in the halls and "Clyde" was born. It's how he knew later in life a true old school friend was calling him when he heard that nickmane. We had some much fun playing hair metal in our basements and at the HS and The Alrosa Villa. Before Shattered there was Frenzy but that band name was short lived. A drummer and bass player are known as the rhythm section and not only were we "pinky tight" in music we were also as friends. He was one of the most welcoming people I met when moving to Dublin and will remember his smile, laugh and jokes till the end. Condolences.

“ I have fond memories of Craig. We went to school together and worked together at TAG market. When I think of Craig, I think of his laugh, smile and welcoming nature. Rest easy Craig.

“ *I was heartbroken to hear of Craig's passing. I'm a realtor and helped me years ago when I was just getting started. He was so caring and compassionate...always willing to lend a helping hand. Such a bright, loving light...with a great sense of humor. I send my deepest condolences to his family...what an unbearable loss. Sending love and prayers.*
