“ *I'm visualizing your beautiful blue bright sparkling eyes Craig! And especially because when you told a joke they just sparkled 😊. It was always so fun when getting together at Gma and Gpa's and one time especially when you came out with "Rocket Rod", it was the funniest! You always had a joke! We always enjoyed being with you so much . We loved you Craig. May you RIP. Bev*

“ We have many memories of Craig at multiple Family Reunions, Christmas, Golf Outings, weddings & visits. Craig copied sitcoms, movies, & etc on a VCR we gave him. We lived in Morocco

& those cassettes he sent us were the highlight of our 2years. We told him to leave the commercials on because they helped us see what new products the USA developed. He thought we were crazy. Living in Countries with no TV, radio, or any modern conveniences isn't exciting. He traveled with my parents to Canada in their Buick pulling an Airstream where they slept on the trip. Craig had many funny stories after that trip. He was very close to his grandparents from Iowa. He would tease my brother Rod calling him the rocket. Cashton, Wisconsin was where my Mother's parents lived & raised their family. Mom was in our car & Craig was following us through Cashton while looking at her first home, her Father's Byer hotel, family farm with their family cemetery. Craig was getting frustrated because we would have to turn around a few times. One of the stops he comes to me complaining. I told him to have some patience our guide is a 90 year old lady. He laughed & said good point.

Craig was a huge Ohio St fan & I am a Florida Gator fan. He loved harassing me during our sports family pools. Actually he loved harassing me most of the time. I loved getting back at him. I told him if OHS gets top recruits they should be in the Championship game every year. One year Gators won the Football Championship plus the basketball championship. I had lots of fun with Craig & Steve that year. Lately my Gators have not been doing well. A few days before Craig's car accident he sent me a text giving me a hard time about the Gators. Kim, Craig & Steve have been very special to us. 10 1/2 years ago our son passed away at almost 39 years ago. It is so hard losing a loved one. We will miss Craig very much. He gave us many fun memories to reminisce on. Rest In Peace Craig. You will be with Bobby, baby Scotty, Grandma, Grandpa, Aunt Ginny & the other family members. We love you & think about you often.  
Love Uncle Nevin & Aunt Judy

“ *We had so many laughs when all us cousins would get together at Grandma & Grandpa's for Holidays. My greatest memory together was in Iowa years ago for their big Anniversary. We took the place over and my stomach was sore for days from laughing so much. I'll miss you my cousin, I'm sure wherever you are you are making every laugh. 🙏*
