*“ To be in the middle of two big sisters and two little sisters must have been hard. You were always there when we needed you, slept on my couch after Amanda’s service to make sure I was okay, you are one of a kind big brother and we will cherish every memory and moment we we’re blessed with. Words cannot express how much you were loved and will be missed until we see each other again.*

*Tina, the death of a brother removes that which always was and leaves dim recall to fill the void. I hardly knew Curt because time and distance moved our lives apart as they did with Nancy (whom I remember in Portsmouth as a young woman and I a youngster). May Curt rest in peace and beloved in your memory.*

*Our deepest condolences to the family of Curt. I do remember Curt as a very young boy. Time & distance has kept our cousins apart but thankful for the memories we have. Aunt Nancy was a sweetheart. May our Lord keep you in peace with love and prayers. Your cousin Diane & family*
