“ *Gus and Nancy, I just heard of Cindy's passing. It was heartbreaking to find out and that you are suffering with the loss of another of your children. I remember Cindy as having such a dynamic personality and a great big smile that would have you smiling right back. Love and strength to you both, Michele*

“ *HOPI PRAYER Do not stand at my grave and weep. I am not there, I do not sleep. I am a thousand winds that blow, I am the diamond glints on snow. I am the sunlight on the ripened grain. I am the gentle Autumn's rain. When you awaken in the morning hush, I am the swift uplifting rush of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and cry; I am not there, I did not die. ----- Cindy was creative, independent, funny and fearless. Her love of family was most evident; her dad generally our focus of conversation. She has left her mark on the airport and coworkers with her talented contributions. She will always be remembered. “ My sincere sympathy to Cindy's family, her Mother and Father, Sons, Sister and Brothers. Cindy was a great friend and co-worker. She always jumped in to help get things done, giving 100% of herself. She accomplished many things in her short life and made many lasting friends. Cindy was very courageous, fun to be around, loving, motivated, very creative and overall a positive person. She has many friends here at the Port who will never forget her. I miss her smile, her friendship and will always hold her dear to my heart.

“ To the entire Custer Family- Your daughter/sister/mama was an amazing person. She made an impact in my life. She was a hard worker, fun, creative, and lived her life with a wonderful twinkle in her eye and the ability to persevere in any situation. I loved growing up with her and will always have a special place in my heart that is hers. She was so loved by so many people. I love you all too.
