“ Reilly, My Heart Felt Sympathy and prayers are with you and your family during this difficult time. Cindy was like a sister to me-- "Family" since we were neighbors and raised together during our childhood. I will always remember the wonderful memories of our childhood together and catching up on the latest after we moved away. Cindy never forgot Birthdays---every year she made sure to E-mail me and tell me "Happy Birthday." It touched my heart that she remembered especially the last Birthday Wish 6 mos. ago.

This Sunday, June 23rd, is the feast day of the Precious Body and Blood of Jesus. I made sure that her name was on the list to be prayed for this Sunday at all 4 Masses. May God Bless you and your family with Peace and Comfort during this difficult time and always.

*Peace and prayers,

“ Reilly, I am very sorry to hear about the passing of Cindy. I know that your faith in God will help you and the rest of your family get through this difficult time. I am confident that you two will be together again when God calls you home. Until then, continue to cherish all of the wonderful memories that you two shared with each other.

I will remember all of the wonderful years that we spent together growing up as kids and the day that you two got married. Memories are always comforting.

You and the family will be in our prayers during the difficult days ahead.

“ *Passing of a loved one is always a shock but yet it is expected for all of us. I have known Cindy, Bobby, Janet and their parents Bob and Gertie for over 50 years. Going to Madison on the Lake was always a treat for me where I spent most of my time with my 'adopted' family. Although time and careers directed us to different paths and distance has grown between us I have always had the Hall family close to my heart. What a wonderful family they are. Cindy has always been a strong leader and now she leads us on the path of true happiness, the path leading to heaven. Rest in peace Cindy, and may God bless your family with strength, courage and understanding that we will all be reunited in heaven for our true eternal life. All my love and condolences, Tim Szudarek*

“ *Cindy and I became close friends in 1968, during our freshman year of high school at Madison High School. It is difficult to describe a friendship that has endured over 50 years. Her sudden passing is shocking and she will be missed tremendously. Cindy was a loving and faithful wife to Reilly for 46(or more) years. I know that her children and grandchildren meant the world to her. She was a devoted to her entire family. Even though those of us left mourn the fact that she will no longer be with us here on earth, I also know that Cindy had a strong faith in our Lord Jesus. She is seeing with her own eyes what we have been promised, realizing that as much as we love our life and family here, this is a temporary home for us. Cindy is now in her eternal home with God and we shall rejoice when we see her again someday.*

With much love and deepest sympathy to all Cindy's family and friends.
