“ To the entire Hard Family! I'm so very sorry for the loss of Dan. I sat with him a couple of years ago at the Buckeye Lake Fireworks exhibition. He wore the funny hat that looked like hair on top. We had a good conversation, and enjoyed each other's company. At Christmas he played a great Santa, and undoubtedly loved doing it! He certainly will be missed! May he Rest in Heaven! Judy Jones (cousin) and Pete. I would have liked being able to attend, but I'm prepping, and getting ready for a Medical procedure. Just a bit nervous! Love to all!

“ David and Family, We are so sorry for your loss. We know that God has his arms wrapped around all of you as you begin this chapter in life without him in your midst. His service to our country will not be forgotten and we are thankful for all he has done during the wartime and after! May God fill the deep hole in your hearts with his peace, sweet memories, love, laughter, joy and comfort as you celebrate his life.

“ I am so sorry for your families loss. I remember growing up and seeing David and his dad out working around the house and stopping my bike to have a chat with them(alot). I loved listening to his stories he would tell. I remember he would get to talking and pretty soon it would be about dinner time and David(the son) would say dad I have a date I gotta go and I would say I gotta go home and eat before I go out. ***I am just going to say I think David(son) got out of some weekend work this way. Anyway he was a great man, father, and just so easy to talk to.
