“ *I was so sad to hear of Dan's passing. I worked for Sony in Cleveland and I got to know Dan over several years, always upbeat, always had something nice to say. It was also enjoyable to see Dan stop by. My heartfelt prayers to Dan's family and friend, I know how much he will be missed.*

“ *Our condolences to the family of Dan Duggan and especially to his son, Danny. We met Dan when he was living at Harbor Court in Rocky River, where he was very helpful and kind to our mother; recovering her lost keys, helping her with her card at bingo games, and making her an album of photographs of her 100th birthday celebrations. We all missed seeing Dan after he moved away, but we will always treasure his memory. Our love to Danny. -- Jeff and JoAnn French*
