“ *Im going to miss walking in at my mom's and him sitting at the kitchen table with sky at his feet begging for whatever he had. Im glad I got to spend 6 month seeing him be courageous going to the bing for treatment knowing that its not gonna cure the cancer. Just to be with his grandchildren and family for one more day. I wish I had one more day of hearing him argue with my mom over something silly cause now there is just silence. I hope you are at peace now. Until we meet again 💔*
