“ *Jan, I really didn't know your mother but I do know how much she will be missed by you and your family. I remember her joy in go carting by the scrapbook you had me make for her. I am so sorry for your loss. Stella Gibb*

*Stella, Thanks so much for your condolences & kind words. I would love to get together & catch up with you. I'm in the directory. Call me. If I remember right, Whitney was going off to college the last that I remember. That's been eons ago. Jan*

“ *Jan,  
You know your Mom & Dad were two of my favorite people in all the world. I was there just before your Dad passed, I only wish I'd known your Mom wasn't doing well. Fast Eddie will live forever!!! I smile every time I think of you telling me that story.  
Loved them both so much!
