“ *I worked for Dave and Judy taught preschool to our children. He was such a great person and had a great family. Will never forget how he went out of his way to be so understanding and fair. While this is late, he is missed by many I am sure.*

“ I would like to pay tribute to my recently departed brother-in-law Dave Curl. He was married to my sister Judy but he was more than an in-law. He was more like the brother I never had. I can't remember Dave saying a bad thing about anyone or raising his voice in anger. He was truly a gentleman in every sense of the word. He and Judy raised a wonderful loving family, had an equally successful career, and a productive but too short retirement. He didnt deserve to be afflicted with Parkinson's disease but life isn't fair. I think God has a plan for all of us which we will never be able to understand until we fulfill our time on earth. I hope when my time on earth is over I meet Dave, because I know where he will be. Howard Williams
