“ *DJ was one of the sweetest and most loving people I have ever met. I've known him for many years through SupportCare and I have so many great memories with him. We went on a lot of fun trips together and always had a great time camping. He was a true outdoorsman and told us many stories about his wonderful family and the Ohio Wildlife Center around the campfire. He was a friend to all and such a ray of sunshine. I will never forget him. Rest in peace, Buddy!*
