“ *Dave was a great guy. He was my manager for 4 years from 2000-2004. He was always encouraging and understanding. Dave believed in me and gave me an opportunity that I will always cherish. I have many great memories of Dave all the way from our company group trips to Quebec & Barcelona to playing golf at different courses in Georgia, Florida, & Alabama. I just learned about his passing today and I am now at a point where I do not even know what else I could possibly say to thank and honor Dave.*

“ *Today is a very sad day. I spent 13 years working for Dave and he helped me get to where I am today. He was encouraging, supportive, and believed in me and what I was capable of. He was also funny and always made me smile. I tried to be the best friend I could to him these last few months and I hope he knew how much I and many others cared about him. I will cherish the find memories now and always.*
