When their children started school they transferred their membership to the Eastwood SDA Church. At the Eastwood SDA Church he was active in the Pathfinder club and Polar club there as well. “ He was an amazing older brother. Kind, generous and a protector. As a child, I have a found memory of him making an amazing homemade potatoe soup. Taking me for rides in Mable, his Rambler, that he managed to rearrange the name on the front of the car to read. Sharing candy from his own Easter basket and cheering me on as adult during times of stress and discouragement. He was and amazing man

“ I was very blessed and honored to be David's Hospice nurse. Even though I only got to visit him a few times, I know in my heart how special he was. Thank you, Kathye, for allowing us to walk through this precious time with you. Please be assured of our prayers for your comfort and peace. We will be checking on you often.
