“ David was a wonderful man and friend. There will be an enormous void in my life with him gone. Pam, I think one of the reasons God put you on this earth was to be David's angel. Paula, your help and love meant so much to David and I'm sure also to your sons. Nick and Kevin, you know how much your dad loved you and you certainly showed him during these last difficult months how much you loved him. May God bless you all.

“ I met Dave in the 4th grade (1957) when we were on the same little league team. Our friendship developed through high school; indeed, he was one of my best "buds." Among my favorite memories: the summer in LA (1965) together after junior year, riding in the back of Bob Wanke's car on "Anderson speedway" (1963), and his giving me pre-Army draft physical tips (1970). Although I moved away long ago, we managed to stay in touch. I'm really glad that his recent years were happy and (relatively) healthy (until this past August). My condolences to Pam, Paula, Nick, and Kevin. As you well know, Dave was one of the good guys.

“ Lehman Family, I was a fraternity brother of Daves at Kent State. I will always remember the good times with "Otis". He was always fun loving, had a great sense of humor, and was a man of his word. I can only imagine the type of lawyer and father he had become. RIP Otis
