“ *Dave was my high school driver's ed teacher at North High School in the early years of his career. He was a patient guy. In later years, he and his wife, Thelma, were dear friends of my parents, Paul and Virginia Zollinger. They shared many fun times together. RIP good man.*

“ I retired as on-the-field football official eight years ago, I was a young high school football official in the early 70's. I On kind of a random basis (I think it was because someone he worked with regularly had an injury), I was given an opportunity to work with Dave on the field very early in my career. I believe it was probably only my third or fourth varsity game. A wonderful experience for a young official! He was a good man, great teacher, and an excellent on-field official.

“ Me. Shaw was not only my teacher but also a fellow basketball official. Just as in his teaching philosophy, his work with the young athletes was his motivation not the fame or monetary gain. He always spoke to me at meetings by name and there to encourage me in my success just as he had done in school. We should all strive to be more like Dave Shaw.

“ I worked with Dave, as well as Thelma and Betty, for the last 27 years and shared many teaching and coaching stories. I have two adult children who are teachers and two OU Bobcat grads so Dave was fond of sharing his tuition cost which was the best investment he ever made! He was a wonderful man who will be missed by many.

“ Very sad to hear of Dave’s passing. As a track coach and an official, I knew him for many years and worked many meets with him. As a fellow OU Bobcat, Dave was a true gentleman. He will be missed by all who knew him. I am grateful that our paths crossed.

“ I have had the pleasure of knowing and working with Dave as a high school volleyball official. He was very personable, a pleasure to work the net with, and a very professional and well-liked individual. He always had a smile on his face and made you feel comfortable and welcome whenever you were with him. He will be missed. God rest his soul. Ed Pagnanelli

“ Though i never had him for a class at North, Mr Shaw and my dad were good friends. I didn't realize they had so many connections. He was a classmate of my uncle in Cambridge, taught at my parent's alma mater, Barnesville and we attended the same church. Be at peace, sir.

“ He was my homeroom teacher, room 321, in 1965-67. I have great memories of him and how he treated us, even when we were not on our best behavior. I'm lifting prayers of comfort up for his family.

“ I have fond memories of Mr Shaw. He was very kind and encouraging to student athletes. He is one of the best from my memory at North High School, teacher and coach.
