“ *Mr. and Mrs. Ed Strouse, you may not recall me; but, I was a classmate of Dave's at Miami. You also let me stay with you the summer of 1980 until Ed found me a room to rent with Ms. Allen in Upper Arlington. I just happen to see the news in the recent issue of MIAMIAM and wanted to express my sorrow. I have many great memories of Dave from our Miami years. He will be missed by all.*

“ *I had the pleasure of meeting and knowing Dave for the last 5 or so years. You could not have asked to meet a better person! A quick smile and a hand thrust forward to meet yours... that's what you always found waiting when you got together! Throughout any difficult times, you never heard a complaint. It was always... how are you and how is everything going... If our lives were filled were more David Strouses.... we would all be far better people!!!! Thank you Dave for sharing your life!*
