“ *Deb Powers was a wonderful nurse who had excellent wound care experience. I will miss our morning talks, but will cherish the memories of your skilled nursing advise and the sharing of your family stories that you were so proud to speak about. Now you can rest Deb.*

“ *I am a co-worker at Ohio Health Home Care. Debbie was my preceptor when I started at Home Care known then as Home Reach. She did a fabulous job teaching me the ropes of the company. Debbie loved her work and her patients truly appreciated her work ethics. Home Care will not be the same without her hard work where she worked almost to the end. May she fly high and leave a lasting memory to all she came in contact with.*
