“ *Dear Fisher family, Although not knowing Ms. Fisher or your family personally, I want to offer my condolences for your loss. The pain is tremendous from the death of a loved one. It is my hope that you are strengthened from this experience and use this opportunity to increase appreciation and affection for your family. As I examine the obituaries and the various ages of individuals that have passed, it emphasizes to me how short life is and how important it is to take advantage of every day of life. We know soon that our Creator will do away with this wicked foe death (Rev 21:3-4) and allow us to live life as he originally intended. It is my hope that you find comfort in these few words.*

“ *I am so deeply sorry for your loss. As I reflect back on my upbringing she was more than a childhood memory, she was a second mother to me. She instilled in me great family values which I have passed onto my son and for that I am truly blessed to have had known her in my life. She will greatly missed and forever more remembered.
