“ *I never saw her without a smile on her face, always upbeat and optimistic. Diana was a ball of light and energy! I never had the opportunity to work with her, but her skill, care, and compassion for all living creatures has always been praised. My deepest sympathy to her family.*

“ *You are all in my thoughts and prayers. Diana was a very loving and compassionate person who was always willing to look for the positive - no matter the situation. I am grateful to have known her and honor her memory by touching people's lives in the same way she did....And help an animal in need whenever I can.*
