“ A gentle wind blew cross the land Reaching out to take a hand For on the winds the angels came Calling out a mother's name. Left behind, the children's tears Loving memories of the years Of joy and love, a life well spent And now to God a mother's sent. On angel's wings, a heavenly flight The journey home, towards the light To those who weep, a life is gone But in God's love, 'tis but the dawn -- --I know your in better hands now pain free where now you can be happy, and look down upon your loved ones.I'm sorry i didnt meet with your request but one day when i meet you again i will hope you will forgive me..but for now i will pray you will rest in peace..

“To my sister,It already feels like forever even though it been a few days I miss you so much my heart is filled with pain. With so many tears we watched you suffer as you slowly faded away our hearts were broken. As we knew how hard you fought to stay,we knew you had to leave us but you were never alone because part of us went with you when God called you home. Sis for everything you did for me you will never just be a memory. You were my sis, you were my friend. Sis here"s to you not good bye just until we met again. Love Your Sister Bonnie
