“ My wife, Karen and I always will remember our dining experiences with Diana and Mike. They were almost always memorable because there was almost always some kind of mishap. We will greatly miss those evenings.

“ Clayton and I met Diana through Mike at RiversEdge. We shared several breakfasts with her. Knowing Mike, Clayton used to tell Diana that she had his sympathy and she would laugh. We loved Diana and Mike as a couple and consider Mike family. Here at RiversEdge and all our contractors send our deepest Sympathy and love to Mike and the rest if the family.....Kathy Ross

“ *I met Diana at Rutherford where we both worked. When I started Diana would always come check on me and ask how I was doing. She knew that I had lost my mom. She would call me & tell me she was checking in, but she was really seeing how I was doing. I am going to miss her beautiful smile and her caring words. She is truly going to be missed especially by me. Xoxo ~ Tara*
