“ *Bud and children, I am so sorry to hear about Diane. She and I worked together in Twigs many years ago but had lost contact. Nancy Hanold recently told me the troubles Diane had been having. As you focus on all the happy memories you have, please know that others are also having happy thoughts of Diane. You are in my prayers. With my sympathy, Sandra Aured*

“ Bud, Di was so courageous in facing her long journey. When she and Sue came in October to Jim's funeral, I was heartened by her presence. I like to think she and Jim are now looking down from above and sending us strength to face what lies ahead. You and the family are in my thoughts. In sympathy, Jane Miller
