“ *Hi! I was just surfen' anroud for some facts about dog dancing in Austria (where I live), when I finally saw your shows from the crufts on youtube. My first thought: Amazing! My second thought: How to teach a dog something like this! I have a pug, her name is Mia and she actually just does something like twist, jumping over my arms, legs, into my arms, stuff like that. I think that a pug may cannot do some of these special tricks I saw now, wich are easier vor bigger dogs. In just a few minutes watching the videos and reading this website I became a great fan of you two! I really enjoyed watching your performance! Best wishes PS: I hope my English was okay (;*

“ *My thoughts are with you and the family and how death robs us of our loved ones. Jehovah God has promised to remove death, sickness, and pain from the earth and reunite us with our loved one on a cleansed earth in the future. (Revelation 21:4; John 5:28,29; John 17:3; Psalms 83:18) In the meantime you can be sure that God understands how you feel now! The Bible assures us: "He is healing the brokenhearted ones, And is binding up there painful spots." Psalms 147:3*

“ Our deepest sympathy on Dick's passing. We greatly appreciated his creativity in solving roofing problems and enjoyed meeting him and discussing various solutions. Walt particularly enjoyed looking at Dick's antique car collection with him. Dick was a dedicated professional and a wonderful person and he will be missed by many. If we can be of any assistance to the family in your time of sorrow and need, please do not hesitate to ask. Walt & Lois Reiner

“ Dear Mrs. Baker , We send our love and prayer's to you and your family . i want to thank you for giving Dale a job way back when ... 1987'ish , you guys helped us raise our 3 wonderful kids for many years - whom are all married with children of their own now . the job was hard on Dale but he was pretty tough back then :) . Dale was very sad to hear of Dick's illness and said what a good man that he was and how he hated it but , wanted me to tell you that this life may be over here on earth but , you'll meet again in a much better place where Dick and Jesus will be waiting on you.He's in heaven right now , reaping the high -est rewards for all of his love and hard work and that's what life's all about . when you get there he'll probably scoop you up into his arms and it'll probably just seem like a blink of an eye , you won't even remember be -ing apart .He's past the test of time, lived right , loved you , all of you and he's still right there with you , alway's . Dale tells sooo many story's about his roofing days , days that they all wanted to strangle each other and days of pure fun in the burning hot sun and the cold freezing winters but , i think that he'd do it all over again he'd disagree - as usual - just ask jim koehler , he's an aggravating you know what and he ALWAYS has HIS own opinion - usually right and that's just between you and me :) but , all said and done he'd be right back there working for you guys . we'll send a donation to the diabetes association in Dick's honor and we'll continue to send our prayer's for you guys .Please don't give up on your own life. keep busy ,remember all of him but , keep living , keep going . sincerely , Dale and Juli Gang xoxoxoxo
